Rights Respecting School Council

Our Rights Respecting School Council

Every class has a Rights Respecting Councillor who is elected by their classmates to uphold their rights (Article 12) and represent their views.

This year, our School Councillors have been assigned a very important job. By agreeing to this role, they have made a pledge to:

- Lead in developing and delivering the school's Rights Respecting Action Plan.
- Ensure that the whole school is aware of the Rights Respecting Schools Award.
- Listen to the views and opinions of their class and bring them to the meeting
- Bring ideas to the meeting about how to promote children's rights.
- Take the lead with fund raising activities.
