Messages from Mrs. Nott

Resource Base

We are delighted to announce that we have been given the official approval to open our Resource Base in September.

This will allow us to expand the specialist support we provide for pupils with additional needs. Over the summer holidays we will complete some renovation works to our KS1 building in readiness for this.

Reports and Parents Meetings

Children will bring reports home today and then there is an **optional** parents meeting on 15.07.24. You only need to come along to this if you have a question about your child's report.

Graduation Events

We are holding two special events on Thursday for children graduating from Reception (2pm) and our Year 6 (3:30pm) leaving us this week. Parents from these year groups are strongly encouraged to come.

A big thank you!

This is the last newsletter for the year. As a staff, we would like to express our thanks for the support of our parents and wider community this year. We've had such a great time in school, and this has only been possible with your support.

CURRICULUM

Year 4 were really proud to receive their swimming certificates! We have done so well and some of us can now swim up to 25 metres.

The Hub enjoyed a successful workshop making their heritage boxes for the Festival of Sanctuary exhibition.

We all had a wonderful time looking at the Festival of Sanctuary displays.
